ECAP Board Rule

ECAP requirements as outlined in Board Rule R7-2-302.05 (Approved February 25, 2008):

- Academic Goals
- Career Goals
- Postsecondary Education Goals
- Extracurricular Goals

ECAP – Four Attributes

An ECAP process portfolio has four attributes which should be documented, reviewed and updated, at minimum, annually:

Academic

- Plan coursework to meet High School requirements
- Document postsecondary education goals
- Record academic achievements/awards

Career

- Explore career opportunities
- Define a career goal aligned to personal interests, skills, and values
- Explore needed educational requirements to achieve the career goal

Postsecondary

- Explore admissions requirements
- Complete necessary applications
- Create a financial assistance plan

Extracurricular

- Clubs, leadership opportunities, CTSO, athletics, community service, work experience, internships, job shadowing
- Enhance college applications and resumes
- Explore interests and skills

Compliance

Each year ADE requests schools to submit two ECAP documents:

1. A copy of the school-wide implementation action plan or calendar (action plan or calendars should include: **What, Where, When, Who** in order to present a clear picture of you ECAP process for ALL students
2. A copy of a completed ECAP from **one** student from the graduating class **with all identifying student information removed in order to be FERPA complaint**

Middle School

While My Future AZ is available for anyone to access and explore at this time, the Center for the Future (CFA) of Arizona and the Arizona Business & Education Coalition (ABEC), who financially supported the development of the middle school platform, are leading the effort to onboard their network of middle schools onto the platform.

If your school would like to be a part of the CFA/ABEC collaborative and receive support for onboarding and implementation, please contact either:
