

# SDI Worksheet

~~ Information can be in the PLAAFP, services, goals, etc. ~~

\* Evidence of SDI must address at least one of the following: content, methodology, and delivery of instruction. Adapting any one of these three in isolation, however, may not constitute SDI.

<p><b>Content</b></p> <p>(Curriculum based on grade-level standards)</p>	<p><b>Methodology</b></p> <p>(Instructional design of content, based on research or best practice)</p>	<p><b>Delivery</b></p> <p>(Application and implementation of methodology that are necessary and specified within the IEP)</p>	<p><b>How is instruction different from what all other students receive?</b></p>	<p><b>Is instruction individualized?</b></p> <p>(Yes or No)</p>	<p><b>Is SDI evident?</b></p> <p>(Yes or No)</p>
